

Universal Network CONSORTIUM

Universal Network Consortium (UN Consortium) was created as a framework to facilitate a group management arm. Businesses, where we enjoy majority shares are managed by this powerful management team at UN Consortium.

Our operations are relatively new. Active in the Sri Lankan market since 2003, our investments portfolios are linked with Sweden, Finland, Portugal, USA, Russia and Uzbekistan. We are focused to aggressive development in areas of our business. We welcome new ideas and proposals.

Sanjayadeve De Silva Munasinghe, MD
